Points for Prayer

We believe that the Scriptures call on churches as well as individual believers to pray fervently, reverently, humbly, sincerely, regularly and with faith (Luke 21:36 Watch therefore and pray always: James 5:16 The effective, fervent prayer of a righteous man avails much).

Please pray for Victor and Sylvester from Nigeria attending church services regularly and pray that the Lord would speak to them as they hear His word.

Please pray for as Indian variant is growing in our area and we might have to go back meeting via Zoom. Now we are continuing to meet in the church and live streaming via

zoom. Good to have brethren from India, Pakistan, Nigeria, and Iran joining us.

Please pray on Sundays as I am preaching from Ps on the importance of true WORSHIP.

Please pray for during our midweek Prayer and Bible study we finished looking into Ezra and started a new series on Nehemiah.

Please pray as we meet with parents and children in the local park, we had 15 children and 10 parents attended. Fun games and bridge building. One dad came to our service which was nice.

Missionary Interest - Myanmar

The situation in Myanmar may not occupy as prominent a place in the UK media as it did a month or so ago, but it remains very bad indeed. Over 700 people have been killed by the military since they seized power at the beginning of February. CBW has received regular reports from our partners in the country particularly Pastor Timothy Mang based in Yangon.

Here is an extract from his latest bulletin:

"Another Southern Chin town called Mindat has been bombed by military terrorists for the last four days. Almost all the people of the town left the town to the forest for safety. Only older people and sick are left in the town, even those people are also tortured severely. Missionary David told me

on the phone that over eighty thousand people are in the forest. They are without food, even the people who are left in the town, the terrorist cutoff the water pipeline for the town yesterday and the people are in trouble. The military used big weapons and jet fighters to fight and kill civilians."

And sadly, because of the disruption caused by the coup CBW's plans to collaborate with our sister charity Pastor Training International in an initiative to train and resource tens of thousands of pastors in Myanmar has been put on hold.
